Aims and Scope

Journal of the Chemical Society of Pakistan is a bimonthly journal which publishes results of original unpublished research work in all fields of chemistry. It also publishes research based review articles on various relevant subjects in the field covering previous related work on the topic.

Submission Guidelines

Submission of a manuscript to Journal of the Chemical Society of Pakistan implies that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. Manuscript should be submitted via e-mail. Full details on how to submit material for publication online are given on Journal homepage: <http://www.jcsp.org.pk>.

INSTRUCTIONS TO AUTHOR

Manuscripts are furnished with the following prior to submission:

Manuscripts Organization:

- Title of the manuscript.
- Full names of authors with complete postal and e-mail addresses.
- Corresponding author's full content: Institutional mailing address, Phone numbers and e-mail address.
- Summary of 300 words strictly.
- Five to Six keywords.
- The manuscript text should include the following sections in the given order:
- **Summary, Keywords, Introduction, Experimental, Results and Discussion, Conclusion/Acknowledgements** (financial and technical support as well as conflict of interest) **and References**, Tables and Figures (each on separate sheet). Figures and Tables must not be embed in the main text of the manuscript and provided as separate file. • Authors should only use abbreviations sparingly and should always define an abbreviation when first used by placing it in parenthesis after the full term, eg., nuclear Overhuser effect (NOE), Butyrylcholinesterase (BChE), Heteronuclear multiple bond coherence (HMBC).
- The metric system for all measurements should be expressed in lower case without a period (ml, nm, min etc). • Structures: CS ChemDraw (version 5.0 or later) should be used for the illustration of chemical structures. Drawing Setting: chain angle 120, bond spacing 18 % of length, fixed length 0.25 in, bold with 0.0347 in, line width 0.0111 in, margin width 0.0278 in, hash spacing 0.0417 in, font Arial and 10 in size.

Reviewing and promptness of publications

All papers submitted for publication will be immediately subjected to editorial scrutiny, usually in consultation with members of the Advisory Board. Every effort will be made to assess the papers quickly and the decision conveyed to the authors normally within 3 months of the receipt of manuscript. Gally Proofs of papers will be sent to the corresponding authors soon after acceptance.

Copyright

By submitting a manuscript, the authors agree that the copyright of their article is transferred to the publishers if and when the article is accepted for publication. Plagiarism is strictly forbidden.

Proofs

Authors are sent page proofs. To avoid delays in publication, proofs should be checked immediately for typographical errors and returned within 48 hours. Major changes are not acceptable at the proof stage. However, if such changes are necessary, then a small charge may be made by the publishers.

Subscription

Annual subscription for Journal: Rupees 15,000PKR for Pakistani author, and foreigner U.S. \$ 400.00 including postage.

Note: All the papers submitted for publication in JCS Pak should be accompanied by Turnitin Plagiarism Report indicating similarity index up to the HEC allowable limits.
